3. All entries will be received (checked by Classification Committee) between the hours of 9 a.m. and 10:45 a.m. Late entries arriving after 10:30 a.m. (acknowledged by Classification Committee) may be entered **FOR DISPLAY ONLY and will not be judged. Entries will not be placed in the display area** after 10:45 AM. No entry may be removed before 4:00 PM. Exhibits not removed by 4:10 PM will be discarded. Ribbons and awards, if not claimed at this time, will be made available at a later date upon request.
4. Uniform containers and official AHS entry tags will be furnished by the club (*or sponsoring organization*).
5. **Only members of the Placement Committee are permitted to place entries in the display area.**
6. Judging will begin promptly at 11:15 a.m. Only Judges, Clerks, General Show Chair, Show Co-chair, Judges' Chair, Classification Chair, Placement Chair and the Photographer will be allowed in the exhibition area during judging, unless specifically authorized by the show chair.
7. Show officials and **IDIS** will exercise all precautions for protecting exhibits but neither they, *nor Holliday Park*, will be responsible for any loss or damage that may occur.

## HORTICULTURE RULES

1. All horticulture exhibits eligible for AHS rosettes and medals must be entered on-scape.
2. Registered cultivars are to be entered on scapes whose overall height does not exceed 36 inches.
3. All seedlings (including pre-registered cultivars) shall be severed as near the base as possible regardless of height. A seedling having won the AHS rosette in any other show is not eligible.
4. Entry tags for seedlings must be marked with the word **SEEDLING** in the space for cultivar name. Names, numbers or any other identifying marks are not permitted on the visible portion of the folded tag.
5. Eligibility for exhibitors in the Youth sections shall continue through the end of the calendar year following the youth's eighteenth birthday. Youth entries may not be denied in the Seedling, Popularity Poll, and Achievement sections.
6. Cultivars listed on the official spider list must be exhibited in Section 6 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to Multiform Classification Code for Shows in this schedule.)
7. Cultivars whose names are **not** listed in the AHS checklists or supplements may **not** be exhibited in any Division, Section, Class or Group where registered cultivars are specified.
8. Popularity Poll cultivars must be exhibited **only** in Section 9 unless they are Youth exhibits.
9. Unusual form cultivars, registered as such, must be entered in Section 7 and **only** those listed on the official Unusual Form cultivars list may be entered in Section 7 unless they are: (1) a Popularity Poll exhibit, (2) part of a local collection, (3) a Youth Section exhibit, or (4) registered as a multiform cultivar. (Refer to *Multiform Classification Code in this schedule*, page 4.)

## JUDGING STANDARDS FOR ACCREDITED SHOWS

1. All judging of an accredited show will employ AHS standards.
2. All horticulture sections must be judged by AHS Exhibition judges.
3. Each panel of judges shall be the final authority for each section and group in which it judges.
4. Only the Classification Chair has the authority to disqualify any entry that is damaged or does not conform to the schedule.
5. The appropriate AHS scale of points will be used for: (1) Registered cultivars on-scape, (2) Seedlings on-scape and (3) Individual flowers of registered cultivars off-scape.
6. The AHS standard system of awards will be used.
7. All scapes receiving the AHS rosettes or purple ribbons must score 95 or above by the AHS scale of points.
8. Registered cultivars will be classified as registered, by size, and by form; they will be grouped alphabetically within each section. No distinction is to be made between the classification of diploids and tetraploids.
9. Each registered cultivar shall constitute a name class. A single entry may be given an award if the judges consider it a superior exhibit. An exhibitor may have only one entry per name class.
10. Each seedling or pre-registered cultivar (a pre-registered cultivar is considered a seedling) shall constitute a class to be judged on individual merit. Each entry may be given an award if considered a superior exhibit.
11. If Division I, AHS Rosette eligible Sections 1-10, are subdivided or judged by more than one panel of judges, the purple awards must be point scored to determine a single winner since there is only one AHS rosette for each of these Sections.

## Multiform Classification Code for Shows

Before 2008, polymerous flowers were exhibited in the corresponding single-flower sections by size. Even though these and multiform flowers are relatively few in numbers, they and multiform flowers are now exhibited as indicated below. In order to assist Classification Chairs in determining where to place them in a show, a *Multiform Classification Code* has been designed. A show section may be subdivided into classes if enough cultivars are entered to warrant it:

### Registered as:

Double/Spider Flowers .....  
Double/Unusual Form Flowers .....  
Double/Polymerous Flowers .....  
Double/Spider/Unusual Form Flowers .....

**One Third (Yellow) which must score 80 or above.**

For registered cultivars, only one blue, red and yellow may be awarded in a given name class. For seedlings, each exhibit in the section is judged on its own merit and is thus an award-eligible class.

Entries must be entered by number as assigned by the Classification Committee. Each of the judges on the panel assigned to judge the entries will point score each scape individually. The score sheets will be returned to the General Show Chair and Tabulation Committee Chair who will tabulate the scores. Scores will NOT be official until they have been verified by the Exhibitions Chair or the Exhibitions Committee.
