President's message

Greetings Gardening Friends,

Thanks for Lezlie Myers for coordinating the NCAP daylilies this year! What a range of cultivars were available. I trust you have found a good spot for your NCAP daylilies for the next three years. Everyone went home with at least two cultivars. Special thanks to Bill Stephens for hosting the event...what a beautiful place he has!

This month our speaker will be Nikki Schmith from Worden, IL. Nikki is the recent past president of the American Daylily Society, a senior exhibition judge, a garden judge, and an exhibition clinic instructor. Her garden includes a rotating collection of around 500 daylily cultivars along with many other perennials. She has registered several unique cultivars of daylilies. Come and hear about growing the daylily in the Midwest.

The Nominating Committee will make its report at our July meeting. There's still time to volunteer for a board position. "Nominations may also be made from the floor at the meeting; however, those nominees must be present at the meeting to accept the nomination." The slate will not be voted on until the August meeting.

As always, we'll have a place for free items at our June meeting. If you're working in the garden and have an extra plant, consider bringing it along to share with others.

Thanks for your support of IDIS!

Rod Maust, IDIS president
