### President's message

Greetings Gardening Friends,

I hope you enjoyed Sandy Holmes' presentation on her hybridizing work in Ohio. She brought along a number of her introductions which were auctioned off. Thanks to all of you who brought plants and supported the club in this way.

Special thanks to Peggy and John for again organizing our plant sale this year! The weather was pleasant and the new sale venue worked well, garnering over \$5000 in sales. Many members volunteered with digging, cleaning, dividing, and labeling plants beforehand which resulted in a broad selection of flowers. It takes lots of work from many folks to make it a success. Thanks for your contribution!

Congratulations are again in order for Chuck Bunnell as he wins awards at the national level for his flowers. His Breakfast In Bed won the Williamson-White Medal for the best Miniature Tall Bearded iris. Lynda Miller, a former IDIS member, won the Dykes Medal for Football Hero.

Our September meeting will again be at Lezlie Myers' house. We will have a brief business meeting followed by the auction of the NCAP daylilies from Curt Hanson that we received in 2019. You are invited to start arriving around 12:15 so that Greg can check in the plants and get them set up. The meeting/auction will begin at 1pm. Please bring your own lawn chairs. If you wish, you may bring along your own sack lunch to eat prior to the auction. Please bring your own beverage. Be sure to look over the flowers and see which ones you may want to purchase...don't forget your checkbook.

Here is the link of 2019 NCAP host growers and the Hanson plants that are to be returned at our September 3 meeting, [http://indianadaylilyirissociety.org/NCAP\\_Daylily\\_2019.html](http://indianadaylilyirissociety.org/NCAP_Daylily_2019.html) Please find your name and the flowers that you are to return. You are to dig the clump, save two fans for yourself, and then return the increase for the club auction. Please divide them into double fans and be sure each double fan is clearly labeled, ready for auction. Put them in a bag with your name on it so you get credit for its return. If you are not able to come to [www.indianadaylilyirissociety.com](http://www.indianadaylilyirissociety.com)

the meeting, please make arrangements to drop off your plants with Greg Beavers, [<bluebirdbox@gmail.com>](mailto:bluebirdbox@gmail.com), (or some other member who will be attending) prior to the meeting. Please notify Greg of any errors or losses.

We will also distribute the **NCAP iris** at this meeting. We will be getting two each of the 2021/2022 introductions of Siberian iris from Draycott Gardens, <http://www.draycott-gardens.com/introframe.html> plus a few more plants to give us 15 total. Those who are members of AIS will choose plants in the first round.

We will also have an area for the free plant exchange. If you are dividing clumps of something and have extra, bring them along to share. If you have garden related items you no longer want, bring them along.

Lezlie lives at 3273 E. 700 South, Lebanon, IN 46052. This is about 5 miles west of I-65. On I-65 take the Whitestown/Zionville exit #130 and go west on Whitestown Parkway. Whitestown Parkway will tee into 267. Go south on 267 to the first road going west (700 South) (Mt Tabor Primitive Baptist Church is at the corner.) Her house will be 3273 on the south side of the road.

Thanks for your support of IDIS,  
Rod Maust, IDIS president
